- Adopt child centred and democratic coaching styles.
- Adopt Safeguarding guidelines through Codes of Conduct for members and all adults working at the club. Adult workers include coaches, parents and volunteers.
- Ensure careful recruitment, selection and management procedures. These procedures will include regular support and supervision is provided to staff/volunteers.
- Ensure complaints, grievance and disciplinary procedures are included in our constitution.
- Share information about concerns with children and parents and others who need to know.
- Provide information as required to the management committee.
- Ensure good and safe working/playing practices.
- Be involved in training made available through the various agencies and strengthen links with these agencies.
- Keep Safeguarding policies under regular review (every three years minimum).
- Have procedures relating specifically to bullying, away trips, transport and use of photography.
- Have an induction document available for parents, coaches and children clearly outlining their rights and responsibilities.

The **<u>Children (Northern Ireland) Order (1995)</u>** is based on a clear and consistent set of principles designed with the common aim of promoting the welfare of children.

Children have the right to be safe. All coaches should ensure that this fundamental principle takes precedence over all other considerations.

This policy applies to all those involved in *Falls Bowling Club*, coaches, administrators, officials, volunteer drivers, parents and young people.

EQUALITY STATEMENT

- This club is committed to ensuring that equity is incorporated across all aspects of its development. In doing so it acknowledges and adopts the following Sport Northern Ireland definition of sports equity:

"Sports equity is about fairness in sport, equality of access, recognising inequalities and taking steps to address them. It is about changing the culture and structure of sport to ensure it becomes equally accessible to everyone in society."

- **Falls Bowling Club** respects the rights, dignity and worth of every person and will treat everyone equally within the context of their sport, regardless of age, ability, gender, race, ethnicity, religious belief, sexuality or social/economic status.

To address the vulnerability of children with a disability coaches will seek guidance on working with children with a disability from external agencies, parents/guardians and the children themselves.

AWARENESS OF THE ISSUES

Background knowledge in relation to child abuse, the general principles of Safeguarding and the ability to recognise and respond to abuse are important issues. Of primary concern for **Falls Bowling Club** is the issue of Safeguarding of our young members within the operation of the club. However, being cognisant of the indicators of abuse in respect of young members caused by others outside the club, are of an equal importance for the safety and well being of that child.

Co-operating to Safeguard Children 2003 formally recognises four types of abuse:

1. Physical Abuse

Physical abuse is the deliberate physical injury to a child, or the wilful or neglectful failure to prevent physical injury or suffering. This may include hitting, shaking, throwing, poisoning, burning or scalding, drowning, suffocating, confinement to a room or cot, or inappropriately giving drugs to control behaviour.

2. Emotional Abuse

Emotional abuse is the persistent emotional ill treatment of a child such as to cause severe and persistent adverse effects on the child's emotional development. It may involve conveying to children that they are worthless or unloved, inadequate, or valued only insofar as they meet the needs of another person. It may involve causing children frequently to feel frightened or in danger, or the exploitation or corruption of children. Some level of emotional abuse is involved in all types of ill treatment of a child, though it may occur alone. Domestic violence, adult mental health problems and parental substance misuse may expose children to emotional abuse.

3. Sexual Abuse

Sexual abuse involves forcing or enticing a child to take part in sexual activities, whether or not the child is aware of what is happening. The activities may involve physical contact, including penetrative or non-penetrative acts. They may include non-contact activities, such as involving children in looking at or the production of pornographic material or watching sexual activities, or encouraging children to behave in sexually inappropriate ways.

4. Neglect

Neglect is the persistent failure to meet a child's physical, emotional and/or psychological needs, likely to result in significant harm. It may involve a parent or carer failing to provide adequate foods, shelter and clothing, failing to protect a child from physical harm or danger, failing to ensure access to appropriate medical care or treatment, lack of stimulation or lack of supervision. It may also include non-organic failure to thrive (faltering growth).

In addition to these *Falls Bowling Club* recognises that we have a responsibility to:

"protect children from bullying and to have policies and procedures in places to do so"

Co-operating to Safeguard Children DHSSPS, 2003

Coaches should challenge bullying in any form i.e. physical or emotional. Physical bulling can take the form of attacks, such as hitting, kicking, taking or damaging belongings. Emotional bullying may be a verbal assault, including name-calling, insults, repeat teasing, sectarian/racist assaults, or it may take more indirect forms, such as spreading malicious gossip, rumours or excluding someone from a social group. Bullying is not an accepted behaviour towards anyone at *Falls Bowling Club* be they child, coach, volunteer or parent. Anyone found to be bullying others will be dealt with seriously both in regards to the behaviour exhibited and the reasons for the behaviour. This club has an anti-bullying policy in place.

INDICATORS OF ABUSE

The following is a list of some indicators of abuse, but it is not exhaustive:

- designated person. These matters will be raised with the Governing Body case management committee with appropriate action taken including a formal response in writing to the concerned party if required. Clubs should not deal with concerns about a coach in isolation.

TRAINING FOR VOLUNTEERS/COACHES

This club will:

- Ensure governing body approved coaching sessions for volunteers/coaches have been scheduled at the club and ALL participants are expected to qualify to at least *mentoring* level.
- When appointing volunteers/coaches consider their current or previous experience either playing or coaching *bowls*.
- Education and training in the basics of Safeguarding will apply to all coaches/volunteers/management committee members working with the children or young members. *Falls Bowling Club* is committed to continuous updating and review of our current Safeguarding Policy.
- Safeguarding training should include:
 - Basic awareness of Safeguarding issues
 - Our club/organisation's Safeguarding policies and procedures including our Code of Conduct
- Safeguarding training will be carefully selected to ensure it is sufficient. For instance a one hour training session is unlikely to be very useful. A minimum of three hours is required for basic awareness raising, and we will seek that training from a specific training provider with experience and knowledge of good practice in sport.
- Ensure that all new coaches have attended Safeguarding awareness workshop within six months of taking up their post. This opportunity should also be made available to parents and other volunteers to enable a culture of a child-focused club to prevail.
- Ensure all staff and volunteers should receive induction, and training appropriate to their role. Training should be updated and reviewed regularly for new staff/volunteers and in line with changing legislation.

CODES OF CONDUCT

A Code of Conduct lets all our staff/volunteers in our club/organisation know what behaviour is expected and what is unacceptable. It will also let all involved know what sanctions will be applied for non-compliance with the Code. A written Code of Conduct will be prominently displayed or communicated to everyone associated with your club/organisation. It will be applied consistently. This club has a Code of Conduct for coaches/volunteers and young people and a code of expectations for parents/guardians.
